Dear Woodridge Families,

Welcome to Woodridge Elementary! Our number one goal at Woodridge is academic achievement. In order to keep academics our focus, staff, students and parents must all work together as a cohesive team.

School expectations, policies and procedures are necessary to ensure a safe and orderly environment for learning. They also help students develop personal responsibility and citizenship skills. This handbook has been prepared to provide you with important information about our rules, policies, procedures, and programs at Woodridge School. Parents are encouraged to read this handbook and discuss it with your children, so they know that we are all working together for them.

Together we are Woodridge School. The Woodridge staff works hard to provide academic and social opportunities for all our students and families. Please let us know how we can best meet your needs. If you have any questions or concerns, please do not hesitate to contact your child’s teacher, the office staff, or myself.

Sincerely,

Shauna Newton

Parent Involvement Policy

Woodridge School recognizes that parents/families are their children’s first and most influential teachers and that continued parent/family involvement in their children’s education contributes greatly to student achievement and a positive school environment.

Involvement includes:

- Parents/families serving as volunteers in the school, chaperoning field trips, attending student functions and school meetings, and participating in school and district committees and advisory councils.

- On-going communication between home and school regarding student academic or behavior progress, school events, classroom/home support, homework, and other issues. Home/School communication occurs through school newsletters, individual classroom newsletters, school website, Facebook, automated phone calling system, parent conferences, progress reports, phone calls, emails, Classroom Dojo, texting, and home/school visits.

- Participating in parent/family educational opportunities including parent workshops, family nights, school wide events, and meetings with our family resource staff.

Specific opportunities for family involvement include:

- **School Support**
  - School Site Council (SSC)
  - English Learner Advisory Council (ELAC)
  - Woodridge Parent Club
  - Coffee and Conversation

- **Volunteering:**
  Volunteers and chaperones must complete the application process. The process includes completing a Volunteer/Chaperone Application (available at www.twinriversusd.org), a negative Tuberculosis screening and a fingerprint/background check (Live Scan) with the Department of Justice (DOJ) and Federal Bureau of Investigation (FBI). The District offers Live Scan services free of charge to volunteers/chaperones. Please call 916.566.1600 x32105 to schedule your fingerprint appointment at the District office. Volunteer jobs include assisting in the classroom, on the playground, in the office, or at Booster Club sponsored events.

**Family Events:** All families are invited and encouraged to attend our family events to support student engagement and fundraising. Family events may include:

- Fall Festival
- Winter Wildcat Breakfast
- Science Night (hands-on activities)
- Movie Night (family movie night)
- Family Game Night (make and take a game)
- Family Literacy Night (read aloud activities and resources for parents)
General Policies and Procedures

Academics:
Journey’s and Swun Math will be our ELA and Math adopted curriculum for the school year. We will also be having “ROAR” time daily, a protected reading intervention time daily for 1 hour, time determined by grade level teams. ROAR time is a differentiated, skills based reading instruction time.

Arrival at School
Gates are unlocked at 7:30 for students going to the cafeteria to eat breakfast. The only supervision is inside the cafeteria until morning walk begins at 7:45. Students should not be on campus before 7:45 unless they are eating breakfast or are part of a supervised club or program. Breakfast ends promptly at 7:55 and class begins at 8:00.

Dismissal from School
There are two areas for student pickup. The grade of your child and whether or not your child has siblings at Woodridge will determine where they are to be picked up. At dismissal, students will go to the assigned gate. 4th- 6th grade students with NO siblings at Woodridge will walk to the preschool gate for dismissal on Revelstock Dr. (on the side of school by the preschool). Students can wait for their ride at the gate or exit the gate to walk home. T/K-3rd grade students and students with siblings at Woodridge will be dismissed at the front of the school. There will be supervision at both gates until 3:00 (1:00 on Wednesday). PLEASE note that there is no student supervision after 3:00 (1:00 on Wednesday).

PLEASE USE CAUTION AROUND OUR SCHOOL, DRIVE SAFELY, and AVOID BLOCKING TRAFFIC

Early Dismissal
Because every minute in the classroom is important, we discourage early dismissals. In the event your child must leave early:

- Please send a note to your child’s teacher the day of the early dismissal, so they are prepared to send homework or missed assignments home that day.
- Early Dismissals will not be granted after 2:30 (12:30 on Wednesday). Please call the office for an early dismissal. If an adult other than the parent/guardian calls for a student, they must be designated on the emergency card and will be asked for identification in order for us to release your child to the care of that person.

Please call our office by 1:00 pm if you need to make last minute alternate arrangements for after school pick-ups. Teachers are often doing outside activities with their class towards the end of the day and may not receive these messages before the dismissal bell.

Attendance Procedures: Attendance is tracked on Aeries. Every student not physically in the classroom at 8:00 will be marked absent. Students who arrive after 8:00 should go directly to the office for a late slip. Automated phone calls are sent out to verify absences. The office calls home on any student whose family does not call to verify absence. Families have 5 days to clear an absence. If students will be out for any reason, please call our main office line at 566-1650 to report your child’s absence or send in a written note as to the reason for the absence.

State law mandates that schools keep a record of absences and notify parents when their child is truant. Students are considered truant after:

- Three unexcused absences or tardies
Three unreported absences—(we didn’t hear from parent)

Excused Absences or tardies are those due to:
- Illness, medical/dental appointment
- Court Appearance (child's) documentation from court required
- Funeral of Immediate family member
- Observance of Religious Holiday

Unexcused absences and tardies are those due to:
- Unreported absences—no contact from family
- Personal reasons such as trips, non-medical appointments, missing the bus, etc

When attendance is a concern, families will be asked to attend a Student Attendance Review Team (SART) meeting at the school. If concerns still continue, families may be asked to attend district attendance hearings with the Student Attendance Review Board (SARB).

Cafeteria: The Woodridge Cafeteria serves breakfast and lunch every day. The school district provides a free breakfast and lunch for every student.

Healthy Snack Policy:
Students are encouraged to bring water and items such as fruits, vegetables, cheese sticks, pretzels, or crackers to snack on at recess. We encourage healthy food for lunch and snacks. For parties and celebrations, items must be store bought. Homemade food items are not allowed and will not be distributed due to health codes. We will restrict the consumption of candy, soda and chips to lunch time only.

Cafeteria Procedures:
- Students should have their ID card. This makes checking in on the computer much easier and faster.
- Teachers will walk their class to the cafeteria for lunch. Students enter the cafeteria through the farthest side door near the outdoor stage.
- Occasionally, students may eat outside.
- All students will be dismissed by class according to the cleanliness of the table and behavior of the students.
- Students may bring other food items with them to supplement their lunch.
- If students bring lunch from home, they should have appropriate individual serving sizes.

Cell Phone Policy: Cell phone use for students is not permitted during school hours as they become a distraction and can lead to disputes or problems on the playground. If a student brings a cell phone to school, it must be turned off and left in their backpack or turned in to their teacher for the day. If students disregard this policy, the student will be asked to return the cell phone to the backpack. If students refuse, the cell phone will be confiscated and will be held until after school or until a parent can pick it up. The school is not liable or responsible for theft, loss, or damaged cell phones.
**Dress Code:** Please also refer to the TRUSD dress code in the TR Student and Family Handbook.

Clothing must cover undergarments, must not be see-through, must cover the chest and torso, and must cover buttocks while standing and sitting. Clothing must be safe and appropriate for all scheduled classroom activities, including P.E. and recess. Hats and sunglasses may be worn while outside.

Clothing, jewelry, and personal items shall not contain writing, pictures, or any other insignia which is vulgar, lewd, obscene, profane, or sexually suggestive or which promotes the use of alcohol, drugs, tobacco, or other illegal activity.

Clothing containing images, symbols, or wording that is homophobic, obscene, religiously or racially discriminatory, or that promotes gender-biased discrimination or defamation or represents gang affiliation are not permitted.

Shoes should be appropriate for school activities (including recess and P.E.). Platform shoes, high-heel shoes, flip flops, and roller skate shoes are not permitted. For safety reasons, sandals should have a back strap and open toed shoes are not recommended.

The Woodridge staff maintains regular and on-going communication with our families. Information and important announcements are sent to your email via Aeries Parent Square and through automated phone calls from the school or district. Our webpage contains upcoming events, school and community information and last minute notices. Our school webpage and Facebook page can be accessed at http://woodridge.twinriversusd.org. In addition, teachers send home classroom newsletters, provide progress reports, make phone calls, and conduct home visits. All Woodridge teachers can be reached through email and voicemail.

If you have changes with a telephone number, email, or address, please contact the school immediately so that the information can be updated. *If an emergency should arise with your child, it is vital that we are able to make immediate phone contact to a parent or emergency contact at all times.*

**Behavior Management and Discipline Plan**
CHAMPS and PBIS are our school wide behavior systems both in and out of class. We use CHAMPS and PBIS to communicate our behavioral expectations and ensure students understand their role in making Woodridge a safe and positive environment to work and learn. We use restorative practices whenever possible to reinforce these expectations. When students make poor choices, we use progressive discipline to match our responses and consequences to the behavior.

All teachers are expected to continually teach and model our school rules and expectations throughout the year. All staff members need to enforce school rules with all students consistently and take responsibility for following up with appropriate personnel.

All students are expected to be safe, responsible, respectful and kind. This includes on the way to school, at school, and on the way home from school. School Rules are posted in all areas of the campus. Students who choose not to follow the rules and expectations can expect the following consequences: warnings, time outs, community service, phone calls home, office referrals, and suspensions. Students who make good choices can expect the following rewards: Wildcat Cash, positive phone calls home, student awards and other incentives, and participation in special events.

**Bully Prevention Policy:**
Woodridge School believes that all students have a right to a safe and healthy school environment. The district, school, and community have an obligation to promote mutual respect, tolerance, and acceptance.

Woodridge School will not tolerate behavior that infringes on the safety of any student or staff member. A student shall not intimidate or harass another student through words or actions. Such behavior includes patterns of direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling (in person, in text messages, or online); and social isolation or manipulation.

Woodridge School expects students and/or staff to immediately report incidents of bullying to the principal or designee. Staff are expected to immediately intervene when they see a bullying incident occur. Each complaint of bullying should be promptly investigated. To prevent bullying from occurring at school, Woodridge will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build our school’s capacity to maintain a safe and healthy learning environment. Teachers will discuss this policy with their students in age-appropriate ways and will assure students that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion. The **Woodridge Student Code of Conduct** is to be followed by every student while on school grounds, or when traveling to and from school or a school-sponsored activity.
The Code of Conduct includes, but is not limited to:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to the principal or designee.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- The school prohibits retaliation against any complainant or any participant in the complaint process.

The procedures for intervening in bullying behavior include, but are not limited, to the following:

- Conflict resolution through group and individual work with principal or counselor.
